

# Gerber Collision & Glass Acquires 7 Repair Centers in Oregon and Washington

**Chicago, Illinois – April 1, 2019** – The Boyd Group Inc. (the “Boyd Group”) today announced the March 29, 2019 acquisition of seven repair centers in Oregon and Washington. The shops are located in Beaverton and Portland, Oregon, and five in Washington – two in Seattle, and one each in Burien, Kent and Olympia. These repair centers were all previously operated by Noel Pennington, who started the business in 2005 with a single Seattle location.

Gerber Collision & Glass continues to build on its brand in this region. Portland is the largest city in Oregon with approximately 2.4 million people within the metropolitan area. Seattle remains one of the fastest growing areas in the United States with a population of nearly 3.9 million residents.

“These acquisitions enhance Gerber’s established presence in the Pacific Northwest. We look forward to providing the high-quality service that customers and insurance clients there have come to expect,” said Tim O’Day, President and COO of the Boyd Group.

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Stephen Boyd at the contact coordinates below for more information.
