Caution concerning forward-looking statements

Statements made in this press release, other than those concerning historical financial information, may be forward-looking and therefore subject to various risks and uncertainties. Some forward-looking statements may be identified by words like "may", "will", "anticipate", "estimate", "expect", "intend", or "continue" or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on such statements, as actual results may differ materially from those expressed or implied in such statements. Factors that could cause results to vary include, but are not limited to: pandemic risk & economic downturn; operational performance; acquisition risk; employee relations and staffing; brand management and reputation; market environment change; reliance on technology; foreign currency risk; loss of key customers; decline in number of insurance claims; margin pressure and sales mix changes; weather conditions and climate change; competition; access to capital; dependence on key personnel; tax position risk; corporate governance; increased government regulation and tax risk; environmental, health and safety risk; fluctuations in operating results and seasonality; risk of litigation; execution on new strategies; insurance risk; dividends not guaranteed; interest rates; U.S. health care costs and workers compensation claims; low capture rates; supply chain risk; capital expenditures; and energy costs and the BGSi's success in anticipating and managing the foregoing risks.

We caution that the foregoing list of factors is not exhaustive and that when reviewing our forward-looking statements, investors and others should refer to the "Risk Factors" section of BGSi's Annual Information Form, the "Risks and Uncertainties" and other sections of our Management's Discussion and Analysis of Operating Results and Financial Position and our other periodic filings with Canadian securities regulatory authorities. All forward-looking statements presented herein should be considered in conjunction with such filings.
