

Gerber Collision & Glass Opens Repair Center in Littleton, Colorado

Chicago, Illinois – January 20, 2020 – The Boyd Group Inc. (the “Boyd Group”) announced that it has opened a repair center in Littleton, Colorado. This location previously operated as a warehouse and office but has been converted to a state-of-the-art collision repair facility.

Littleton is the county seat of Arapahoe County and included in the Denver metropolitan area with a population approaching three million people. This location is well situated to be accessed by customers traveling State Highway 470 or Highway 85.

“We are eager to provide high-quality service to customers in this region at this brand-new repair center,” said Kevin Burnett, COO of Gerber Collision & Glass. “The opening of this facility allows us to better serve our insurance partners with their needs in this area of the country.”

The Boyd Group is continuously looking to add new collision repair locations to its existing network in Canada and the U.S. Interested collision repair center owners are asked to contact Stephen Boyd at the coordinates below for more information.
